## WHY COME TO RAG SYDNEY?

### LEARNING

Come along and hear what industry experts from Asia and other markets have to say about revenue assurance, risk and fraud in our everchanging industry.

Ask them questions and share your opinion and insights with likeminded individuals. See who is going to share their knowledge and experience on the following page.

### FREE TO ATTEND

RAG's unique format means that, if you are from a telco, **you don't have to pay** to attend the conference or the social and networking activities.

### FOOD & REFRESHMENTS

Those lucky enough to secure a place at the conference, won't have to worry about food as it will be provided as complimentary throughout the course of the conference.

### SOCIAL & NETWORKING

Stay with us after the learnings of each day for a chance to socialise and network with the other conference-goers. Engage directly with your colleagues, industry peers and the expert speakers, and make new contacts.

See the following pages for more about on how you can benefit.

## SPEAKERS

The Risk & Assurance Group always brings you the best speakers and topics. Here are a few of the industry thought leaders who are joining us to share their knowledge and insights.

**Rob Chapman**  
Principal Consultant  
**Cartesian**

# MARCH: LONDON (BT Group)

# JUNE: BONN (Deutsche Telekom)

# SEPTEMBER: JOHANNESBURG (MTN Group)

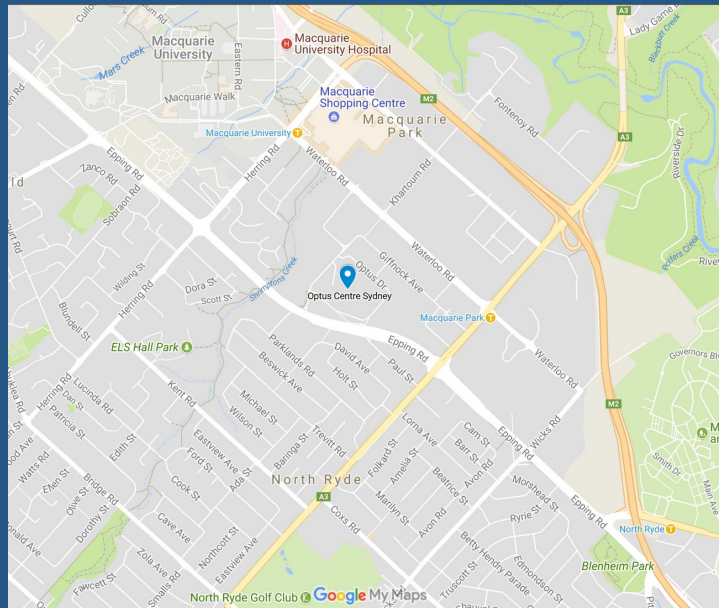

# LOCATION & EVENING ENTERTAINMENT

## JANUARY 2018 CONFERENCE

The RAG Sydney conference will be held at Optus' main offices in Sydney, Australia.

The address is:

1 Lyonpark Road  
Macquarie Park  
Sydney  
Australia  
NSW 2113

## EVENING SOCIALISING

We hope guests at the RAG January Conference will make time to stay on and network during the evenings following each day's formal agenda.

Complimentary food and drinks will be provided (location to be confirmed).

Established in 2004 by UK telcos with the help of Cartesian, the RAG (originally the Revenue Assurance Group) is the longest running event in the world of business assurance.

Our scope has evolved to reflect the remit of a modern risk and assurance professional. There is no charge for participation. All we ask is that people come with an open mind, and a willingness to share their knowledge.
