Fraud News

THE TELECOMMUNICATIONS UNITED KINGDOM FRAUD FORUM

Telecommunications fraud and crime impact on all aspects of modern day life and the aim of the Forum is to mitigate any attempts to defraud our members, as well as their customers, through

creating a Forum of Trust where information and techniques on the abuse of communications can be shared within a trusted environment .

TUFF is a membership forum providing a platform through which members can share expertise and experience so as to be better equipped to counter the challenges of modern day telecommunications fraud and crime.
